YUMO

The art of clarity

THE NEW LANGUAGE OF INDIVIDUAL BATHROOM CULTURE. YUMO PROVIDES GENEROUS SPACES AND FLAWLESS AESTHETICS WITH SLEEK FLOWING AND ELEGANT SURFACES, OFFERING AN EXCITING INTERPLAY OF WARM AND GENTLE COLOURS, PURE WHITE AND WOOD FINISHES. YUMO COMBINES THESE WITH TRANSPARENT SMOKEY GLASS ELEMENTS TO CREATE AN INTRIGUING AND ATTRACTIVE LOOK. A COMPLETELY NEW LIVING EXPERIENCE FOR BATHROOMS.

Warm light, large mirror surfaces and ingeniouslylit see-through glass elements invite the observer to take a closer look. The clear geometry of the bathroom furniture ensemble, with a beautiful double-washbasin, has an energetic vitality thanks to the contrast of the glass elements, combined with light or dark finishes.

Everything is exactly how it needs to be. In an irresistible way, Yumo manages to blur the boundaries of practicality and aesthetics, thus creating its very own language, which is characterised by an interplay between discreetly-spacious organisation and cleverly thought-through display effects, such as the display cabinet with its open shelves to the side. Uncluttered clarity blends with unmistakable personal accents: the new language of an individual bath culture.
